LOW MAINTENANCE NATURAL COMPOSITE DECKING BOARDS

SEE AND FEEL THE RESORTDECK DIFFERENCE

Regency a stain finish board with the option of two colour finishes on each board, each with a non-slip woodgrain effect.

Made from carefully selected recycled wood fibres and polymers encased in a protective UV resistant layer, Regency does not fade, rot, crack, or splinter.

With a realistic wood grain texture and a section of 6 rich colours, create a deck that is hardwearing and easy to maintain, with no staining required. A great investment that will last for years to come.

Quality Double Sided Composite Decking

One board, two colours. Great for design features

Natural Beauty of Timber

A unique heavy duty capped board, which offers a beautiful tactile dual sided finish. This brings the beauty and traditional wood grain finish to your outdoor space. Each side of the board is finished with a complementary colour, giving you the flexibility with your decking design

Impervious to Moisture

Core extruded capped composite decking technology encapsulates the entire board surface.

UV Resistant Layer

To protect your deck from colour fading

Colours & Surfaces

Silk finished board available in 6 colours. Two colours one board. Superior fade, stain, scratch & mould resistant

Sustainable

A durable & sustainable alternative to tropical hardwoods. Made from carefully selected recycled & recyclable wood fibres & polymers

Safe

No splinters, nasty chemicals, no leeching

Warranty

Industry-leading comprehensive 10 year limited warranty

Longer boards for a flawless finish
